“General Lee” Charger to be Auctioned

The Dan Kruse-Leake Car Show & Auction will be held March 21 at the Alamodome

TULSA, Okla. (March 6, 2009) — The Dan Kruse-Leake Collector Car Show and Auction will kick off their first auction in San Antonio's Alamodome with a 1969 Dodge Charger from John Schneider's private collection. This is car number one of four Chargers that Schneider transformed into the “General Lee”. This car can be seen in the “Behind the Scenes with Bo” DVD. Schneider used this car for charities and photo shoots. In 1998 it was on display in Floyd Garrett's Muscle Car Museum in Tennessee.

The auction will also feature a 1936 Lincoln V12 Model K Boat Tail Speedster. This car was custom built by Howard Hughes to be used as his personal limo. Hughes left one of his credit cards in the glove box of this car, and the credit card will go with the car to the new buyer.

Cars are currently being accepted for consignment in the auction. Visit LeakeCar.com and click on the Consign a Car link. Fill out the preliminary entry form and a representative from Leake Auction Company will contact you. You may also call Leake Auction Company for bidder information at 1-800-722-9942.

“We are thrilled to once again partner with Dan Kruse Classics to produce an auction in San Antonio,” said Richard Sevenoaks, president of Leake Auction Company. “As our auctions continue to grow, we realized the need to add to our line-up in order to better serve our clients. The Car Show and Auction will take place on Saturday, March 21st in the San Antonio Alamodome. Admission is \$10 for adults and \$5 for children. Doors open at 9am. 300 cars are anticipated to cross the two-ring auction block.
