Dodge Challenger from "The Bucket List" to be Auctioned

The 1970 Challenger was driven by Jack Nicholson in the movie

TULSA, Okla. (March 16, 2009) — The Dan Kruse-Leake Collector Car Show and Auction just announced the addition of a 1970 Dodge Challenger to their San Antonio line-up. The Challenger was featured in the movie "The Bucket List", starring Jack Nicholson and Morgan Freeman. This car was built by Picture Car Warehouse specifically for the movie.

"They did not spare any expense building this car," stated Richard Sevenoaks, president of Leake Auction Company. "The Challenger is equipped with a 5.7 Liter Hemi Crate Motor, magnum force front end, and Wildwood cross drilled brakes. Just the fact that Jack Nicholson and Morgan Freeman used this car in "The Bucket List" is sure to generate excitement."

The buyer of the Challenger will also receive a certificate of authenticity from Picture Car Warehouse, a framed movie poster from "The Bucket List" as well as an autographed photograph of Jack Nicholson with a certificate of authenticity.

The auction will also include the 2001 Harley-Davidson Night Train motorcycle that will be featured in "Transformers 2, Revenge of the Fallen" movie, slated for release on July 3, 2009. The motorcycle has been customized by Southern California's HYEYON with the following options: Harland kit with 180 rear tire, performance machined wheels and brakes, custom HYEYON paint and rear fender.

A 1952 GMC truck from Tim Allen's upcoming movie "Crazy on the Outside" will also be auctioned. The motor, transmission, rear end, front suspension and brakes have been replaced with Corvette parts. The truck comes with the movie decals for the doors, autographed picture of Tim Allen and a framed poster from the hit TV show "Madmen."

The Dan Kruse-Leake Car Show and Auction will take place on Saturday, March 21st in the San Antonio Alamodome. Admission is \$10 for adults and \$5 for children. Doors open at 9am. 300 cars are anticipated to cross the two-ring auction block.

Leake Auction Company was established in 1964 as one of the first car auctions in the country. More than 40 years later the auction company has sold more than 31,000 cars. Leake Auction Company currently operates auctions in Tulsa, Oklahoma City, Dallas, Houston and San Antonio.
